# Brand Story

Sunscene (HZ) Tech Co., Ltd. is an enterprise dedicated to becoming a global leader in the outdoor home furnishings industry.

Over the past decade, we have achieved remarkable success in outdoor lighting and outdoor decorations. We are now expanding our business scope into outdoor furniture to enhance our integrated outdoor living solutions and reinforce our commitment to innovation, quality, and sustainable design worldwide.

## Operational Scale & Capabilities

We operate two specialized production bases with over 200 skilled employees.

Our vertically integrated manufacturing facilities include dedicated aluminum die-casting and injection molding workshops, paired with QC center and an in-house R&D department.

This infrastructure enables us to maintain strict control every production stage, from design to delivery.

Terracemax (our dedicated outdoor brand) focused on three core categories:

Landscape Lighting, Solar Decorative Lights, and Outdoor Furniture.

## Development Milestones

- 2007: Our manufacturing base became a production partner for the leading North American brand MALIBU, the core OEM supplier of low-voltage lighting to The Home Depot, the largest home improvement and DIY retail chain in North America.
- 2015: We expanded from low-voltage lighting into solar lighting, entered Costco's supply chain via importers. Importantly, since 2020, we have also been a key supplier to major Amazon sellers.
- 2019: We further extended our expertise to enter the outdoor furniture industry, providing comprehensive outdoor living space solutions for customers.

Leveraging our group's long-standing expertise in R&D and manufacturing,

Sunscene Tech is committed to continuous innovation and stringent quality control.

Our brand aims to deliver durable, aesthetically refined and sustainable outdoor products for the global market—helping create elevated outdoor living experiences worldwide.

We firmly believe that competitive pricing, reliable quality, on-time delivery, and comprehensive service are the pillars of our vision: Terrace Max Your Moment.
